ABOUT VIT

VIT University was established with the aim of providing quality higher education at par with international standards. It persistently seeks and adopts innovative methods to improve the quality of higher education on a consistent basis.

The global standards set at VIT in the field of teaching and research inspires us in our relentless pursuit of excellence. Our mission is to educate students from all over India, including those from the local and rural areas, and from other countries, so they become enlightened individuals, improving the living standards of their families, Industry and society.

We will provide individual attention, world-class quality education and take care of character building.

ABOUT VFS

VIT Film Society is the biggest media house in VIT. We make and produce short-films aimed at making impacts in audience's minds.

As a club, we celebrate cinema and consider the medium to be more than just a mode of entertainment.

We organize several events and technical workshops every semester and during the cultural/technical Festivals in VIT, to interact with the students and showcase our movies.

VIT film society is one of the most active clubs not only in VIT but nationally, by having taken part in various college and Film Festivals across the country and won awards.

VIT Film society is a family of people who believe in making great films, entertaining our audience and using films to create a positive impact in our community.

ABOUT DWFF

Dream World Film Festival (DWFF) is VIT's annual student film festival that runs for 3 days dedicated to celebrating the art of cinema and our love for movies.

Thousands of budding filmmakers take part, to experience the euphoria of making films and the magic of cinema.

The Festival includes of a short film competition with a cash prize that is held every year. The final winners of the cash prize are decided by an eminent personality in the filmmaking industry. Last year we had Mr Gaurav Madan Director of "Barah by Barah"

DWFF prides itself on conducting guest workshops from and interviews of well known professionals in the film and Television industry.

The film festival also includes a series of fun events throughout the span of 3 days and the most important of all, screenings of popular short films from around the globe and the shortlisted films in the short film competition. There is something for everyone to enjoy!
